GMOA /Schooling
18/07/2011

Presidents and Secretaries of All Branch Unions

Dear Sir/Madam,

Re: Schooling of Children of GMOA Members

It is a well known fact that during recent history the majority of our members, who applied, lost the opportunity to admit their children to schools with reasonable facilities, which we enjoyed in the past. At the GMOA General Committee held on 10th July, 2011, it was highlighted the necessity to intervene into the above welfare activity. Therefore, a subcommittee was appointed to look into the above problem and to develop a strategy towards a permanent solution. To facilitate this process, please return a properly filled form on or before 12th August 2011.

Guide to fill the application

1. This application is called for the children who are expected to get enroll to schools from year 2012 to 2018.
2. Follow the circular no 2011/18 issued on 11/05/2011
3. Circle the correct year of admission and fill the spaces given
4. Use block letters.
5. Use an extra paper if necessary.
6. Check the status of your membership via extension 203 (Shasika), 212 (Mr Darmarathna) at the GMOA office.
7. Feel free to contact Dr Saman Abeywardana (Mobile- 0717356141) for further details

Please discuss the above issue including the circular at your branch union and facilitate in the process by sending your criticisms /suggestions to GMOA Subcommittee as early as possible.

I would like to stress upon, that the updating of relevant information at the GMOA Office, is with applicant's sole responsibility.

Thank you.

Yours faithfully,

Dr. Chandika Epitakaduwa
Secretary
