GMOA/MS/2011
29.11.2011

To: All Medical Specialists,

RE: Workshop to address the specialist issues through the Medical Service Minute.

GMOA has recently initiated addressing very important issues of medical specialists.

At the outset the GMOA took serious consideration of the influx of foreign doctors who work as specialist in private hospitals. In order to address this issue we suggested formation of "a specialist registry" at the SLMC with very strict inclusion criteria. Secondly, we spearheaded drafting policy guidelines to streamline the SLMC registration process for foreign specialists to practice as consultants in Sri Lanka.

Now, GMOA has decided to organise a Workshop to address the specialist issues through the Medical Service Minute.

Venue – Organization of Professional Association- Auditorium.

Date - Sunday the 11.12.2011

Time - 8.30 AM

Your attendance and input to this very important event is much appreciated. We kindly request you to discuss proposals at branch union level.

Thank you,
Yours faithfully,

Dr.A.Padeniya,
President.
